ISSUE 9

## PRAYING FOR OUR COMMUNITIES

Do you want to have a righteous impact on the area where you live? Do you want to see the gospel transform people in your city, county, or area? This can happen. It will happen as you intercede for the area where you live. You may live in metropolitan city or a rural area. Yet, you can have a powerful impact for Christ through prayer.

Believers should intercede for individuals. The Bible does teach that individuals are accountable to God. Each person stands responsible before God. The Word of God declares in **Ezekiel 18:20**, "The soul who sins shall die. The son shall not bear the guilt of the father, nor the father bear the guilt of the son. The righteousness of the righteous shall be upon himself, and the wickedness of the wicked shall be upon himself." The New Testament boldly states this truth in this way, "So then each of us shall give account of himself to

God" (**Romans 14:12**). God speaks to and deals with the individual. Therefore, the individual is responsible and accountable to God. This is why believers should pray for individuals and their relationship to God.

Yet, the Bible also reveals that God deals with people corporately. This means that God speaks to and deals with large groups of people. This does not lessen personal responsibility and accountability. Yet, it establishes the fact that groups of people are responsible and accountable to God.

A city, county, state, or nation has a standing before God. Groups of people have a level of righteousness or wickedness before God. Groups of people can experience the blessing or the judgment of God. God does deal with groups of people. This should motivate believers to pray for the people where they live. This truth should fuel the praying of believers for their cities or surrounding areas.

This issue of *The Prayer Closet* will offer prayer strategies that you can use to pray for your city. Because groups of people are responsible and accountable to God, believers must intercede for their cities. You may not live in a city; you may live in a rural area. The principles and strategies offered can be applied to a county, a region, or a state. God desires that you have a practical and powerful influence on the people in your city, county, or state. Intercessory prayer is a crucial step in exercising this powerful and practical influence.

God has compassion for the multitudes (Jonah 4). Do you have the same compassion? Ask God to give you a heart for the multitudes that are around you. Plead with Him to enable you to see that the needs are great and the harvest is white.

## Does God Deal With Groups Of People?

The Bible reveals that God deals with large groups of people, particularly cities and nations. He speaks to them, deals with them, blesses them, and judges them. Groups of people are in a relationship with God, whether it is a right relationship or a rebellious relationship. What biblical evidence is there for this principle?

*First, cities were addressed or prophesied to by God.* God spoke to Nineveh through the prophet Jonah (Jonah 1:2). God later addressed the people of Nineveh through the prophet Nahum (Nahum 3:1). God cried out to the city of Jerusalem through the prophet Micah (Micah 6:9). Revelation 2 and 3 record Christ's messages to the "churches" of Asia Minor. Through these texts, you can see that God speaks to groups of people whether it is a city or churches.

*Next, cities were spoken of as protected and preserved by God.* Psalm 127:1 says, "Unless the LORD builds the house, they labor in vain who build it; unless the LORD guards the city, the watchman stays awake in vain." The text declares that God has to guard and preserve a city, a group of people. The Word of God also states, "And now, please let Me tell you what I will do to my vineyard: I will take away its hedge, and it shall be burned; and break down its wall, and it shall be trampled" (Isaiah 5:5). Jerusalem would be burned and trampled on by a foreign invader. Yet, how could this happen? The Lord declares that He will take away its hedge and break down its wall. God protected the city of Jerusalem. When God removed that protection, the city was destroyed.

*Third, cities had divine purposes and callings.* God filled the Temple in Jerusalem with

His presence so that people could approach Him and worship Him (1 Kings 8:20-53). God established the cities of refuge for those who accidentally murdered someone (Deuteronomy 19). There were three cities on each side of the Jordan. God established these cities as places of protection. These cities were set apart by God for a divine purpose.

*God judges cities and nations.* The cities of Sodom and Gomorrah experienced God's judgment because of its wickedness (Genesis 19:24-25). God's furious judgment fell on Nineveh for its wickedness (Nahum 1:1, 3:1). The cities of Bethsaida, Chorazin, and Capernaum rejected Jesus Christ in spite of all His miraculous works and powerful preaching. For this reason, God judged these cities (Matthew 11:20-24). God judged and destroyed the nation of Israel for rejecting and crucifying the Son of God, Jesus Christ (Matthew 23:37-38). From these verses, it is apparent that groups of people can experience the judgment of God.

*At the same time, the Word of God reveals that cities and nations were forgiven and spared from judgment by God.* God sent the prophet Jonah to the city of Nineveh to declare a message of judgment against them. The people responded with deep repentance and God withheld his judgment (Jonah 3). The cities of Sodom and Gomorrah could have been spared if there had been at least five righteous people in them (Genesis 18:32). The sinful nation of Judah could have been spared and forgiven had there been one intercessor to stand in the gap (Ezekiel 22:30-31). The nation of Israel as a whole was spared on occasions. An example of this is Exodus 32. Cities, nations, or groups of people can be spared from God's judgment and receive forgiveness.

*The Bible teaches that a group of people can have certain levels of corporate righteousness or sin.* Proverbs 14:34 declares, "Righteousness exalts a nation, but sin is a reproach to any people." A group of people who strive to obey God and please Him will be exalted and blessed by the Lord. Yet, a group of people who sin and refuse to deal with it will face reproach and judgment. The Bible states that the sin level of Sodom and Gomorrah had reached the point of judgment, "And the LORD said, Because the outcry against Sodom and Gomorrah is great, and because their sin is very grievous" (Genesis 18:20). Notice that the text

says that “*their*” sin is very great. In **Genesis 15:16**, the Bible tells us that the Amorites would not be judged by God until their iniquity was full or complete, “But in the fourth generation they shall return here, for the iniquity of the Amorites is not yet complete.” The Amorites had a sin level, but it had not reached the point of God releasing His judgment against them.

*In connection with this, a city can have a corporate faith or unbelief level.* The Bible teaches this in **Mark 6:5-6**, “Now He could do no mighty works there, except that He laid His hands on a few sick people and healed them. And He marveled because of their unbelief.” It is important to notice that Christ did not do mighty works at Nazareth because of *their* unbelief. The majority of people in Nazareth did not believe in Jesus. Listen to their expression of unbelief, “Is this not the carpenter, the son of Mary, and brother of James, Joses, Judas, and Simon? And are not his sisters here with us?” (**Mark 6:3**). The people of Nazareth were filled with unbelief concerning Jesus. As a city, they had a high level of unbelief toward the Lord Jesus Christ. A city or group of people can have a level of faith or unbelief.

*The Word of God also teaches that cities can experience or miss revival.* In **Jonah 3:5-10**, the people of Nineveh responded to the preaching of the prophet Jonah. They repented of their sin and cried out to God. God withheld His judgment and blessed the people of Nineveh. This entire city experienced a powerful work of God due to their response to the preaching of the prophet. At the same time, a city or group of people can miss revival. This is exactly what happened to Jerusalem (**Luke 19:41-44**). The people of Jerusalem rejected Jesus Christ and His ministry. Because of this, they would experience the judgment of God. Jesus declares this sobering truth to them, “For the days will come upon you when your enemies will build an embankment around you, surround you, and close you in on every side, and level you, and your children with you, to the ground; and they will not leave in you one stone upon another, *because you did not know the time of your visitation*” (**Luke 19:43-44**, emphasis mine). The city of Jerusalem would be destroyed because they did not receive Christ and His ministry. If they had received Him, God would have blessed them. Since they did not, they would face the judgment of God. Cities or

groups of people can experience or miss divine visitations of grace and power from God.

*Cities or groups of people can have demonic strongholds.* In His message to the church at Pergamos, Jesus says this about the city, “I know your works, and where you dwell, where Satan’s throne is. And you hold fast to My name, and did not deny My faith, even in the days in which Antipas was My faithful martyr who was killed among you, where Satan dwells” (**Revelation 2:13**). Jesus says that Pergamos is a place where Satan dwells and where he has a throne. In this city, Satan had built some powerful strongholds. Through these strongholds, he kept people bound by his grip and opposed and persecuted the church. The desire of Satan and his demons is to build strongholds in a city or among a group of people. Through these strongholds, he labors to keep people from hearing and responding to the gospel. He also uses the stronghold to oppose the church and to bring persecution against it.

*Cities can experience the transforming power of God.* There is hope for cities or groups of people that are bound by the power of Satan. Canaan was a cursed land. The Word of God says in **Genesis 9:25**, “Cursed be Canaan; a servant of servants he shall be to his brethren.” Noah cursed Canaan and all that would belong to him because of his wickedness. Yet, this cursed land became the promised land for the people of Israel. It became a blessed land for the people of God. Before David took control of Jerusalem, it had been a city of evil giants. Jerusalem was a wicked city controlled by the giants (**Judges 1:21**). Yet, through God’s help, David conquered these giants and won this city (**2 Samuel 5:6-7**). This city then became a holy city, the place where God caused His presence to dwell. Cities and lands can be transformed by the power of God. No matter how wicked a city or area is, the power of God can bring genuine change.

## Why Should Believers Pray For Cities or Groups of People?

In the previous section, we dealt with the fact that God does deal with groups of people. This is the biblical basis for praying for cities or groups

of people like a county, a parish, a town, or a group of churches. This is the foundation of intercession for these things.

Yet, for many believers, this may be a new concept. Most of our praying is concerned with individuals and their needs. However, our praying needs to extend beyond individuals to larger groups of people. There needs to be a part of our praying that focuses on our cities, counties, areas, and churches.

The following are some biblical reasons why you should pray for large groups of people such as the people in your city. Along with the truth that God deals with large groups of people, these truths provide a biblical basis for our intercession in this area:

- ◆ *God has called you to be salt and light (Matthew 5:13-16).* As a Christian, you are called to have a positive and righteous impact on those around you. How can you exercise this positive and righteous impact on your area? You can do this through prayer. Through prayer, you can make a righteous and eternal difference in the lives of people.
- ◆ *God has called you to be a good citizen (1 Peter 2:11-17).* You are to be in the world but not of the world. You will give account to God for the type of citizen that you are. As a citizen of a county, state, or nation, you are to seek the highest good for those around you. One of the best ways to do this is by interceding for those around and the institutions and circumstances that impact all of you.
- ◆ *People need Jesus Christ (Acts 4:12; John 3:15-16).* There are people in your city or surrounding area that need Jesus Christ. These people are lost and need to turn to Jesus Christ as their personal Savior and Lord. Prayer is the vital and powerful instrument for bringing them into this right relationship with Jesus Christ.
- ◆ *You may be the difference between blessing and judgment (Ezekiel 22:30-31).* Your intercession may make the difference between a group of people experiencing the blessing of God or the judgment of God. Through Ezekiel, God says that He would have spared Judah if there had been one person who would

have prayed. This is a staggering truth. God would have spared a sinful nation if there had been one intercessor. One intercessor, pleading with God, would have spared an entire nation. This reveals the powerful impact that one intercessor can have. You can have a powerful impact where you live. You can make an eternal difference in the lives of people around you. You can have this impact with fervent, believing prayer.

## How Can I Pray Concerning This Need?

The following are some suggestions on how you can pray for your city. These suggestions can apply to a variety of areas like a township, a county, or a state. These are suggestions to help you formulate a strategy to intercede for your area. These suggestions are based on the Word of God. You can use these or you can develop your own from them. You also need to consider combining these with intercession about specific needs and events in the area where you live.

- ◆ *Pray for a massive spiritual awakening among all groups of people (Jonah 3:4-10; Acts 2:37-38; John 16:7-8).* Plead with the Holy Spirit to awaken people to their need for Jesus Christ. Ask Him to convince people of their need to repent, turn to Christ, and follow Him. Pray that the Holy Spirit would invade your city or county with His transforming power. Call on Him to break through the hardness of heart in your area.
- ◆ *Pray that the churches in your area will experience revival (2 Chronicles 7:14; Psalm 80).* Pray that the Holy Spirit would breathe new life and power into the churches in your area. Plead with Him to do a fresh and powerful work among the believers. Call on Him to break through the deadness and coldness of the churches. Ask Him to give the churches a fresh love for Christ and the Word of God. Plead with Him to deal with each church (Revelation 2 and 3). Pray that He will work to remove all obstacles that would hinder the churches from experiencing genuine revival.

- ◆ *Pray that the churches in your city or area will be unified (Psalm 133:1; John 17:20-21; 1 Corinthians 12:12-20).* Pray that God would draw believers from all denominations together for the purpose of seeking God for spiritual awakening. In saying this, I am not advocating that we should not be concerned about truth. We must always strive to stand for and proclaim the truth against error. And I am not saying that we should ignore our doctrinal distinctives. Yet, what I am saying is that believers should join together for the purpose of seeking together for the purpose of spiritual awakening, ministry, and righteousness. As believers, we do have our differences and doctrinal distinctives. However, those things that bind us together are greater than those things that divide us into denominations. We must be willing to humble ourselves before God and join together as one force for righteousness. Pray that God would grant a spirit of humility among believers from the various denominations. Ask the Holy Spirit to remove any feeling of superiority from the lives of believers. Plead with the Holy Spirit to deepen the love that believers have for one another despite denominational affiliation. Pray that believers would share a unity of purpose in seeking God for spiritual awakening and for reaching lost people with the good news of Jesus Christ.
- ◆ *Pray for the conversion of large groups of people in your city or area (Acts 6:7).* Plead with the Holy Spirit to convict and save sinners from your city, county, or area. Pray that the gospel would transform people of every age and category. Pray especially that He would transform those who are hardened. In Acts 6:7, the Bible tells us that the Jewish priests were getting saved. This reveals the amazing power of the gospel to transform even the most hardened of people. Pray that this transforming power will be revealed in even the most hardened of people. You might even consider interceding specifically for "high profile" people in your area that are hardened and even antagonistic to the gospel. These people have great influence but are not Christians. You might consider making a list of those that it appears highly unlikely that they will turn to Christ. Then you can pray intently and specifically for those people. When these

individuals get saved, it will have a tremendous impact on your area and others who need to come to Jesus Christ.

- ◆ *Plead that the demonic strongholds that bind your city or area will be broken (Ephesians 4:27; 2 Corinthians 10:3-5; Revelation 2:13).* Satan desires to build strongholds in areas among groups of people. He labors to do this in individuals. Yet, he also wants to do this among groups of people. These strongholds may be particular sins, sinful attitudes, or unbelieving thought patterns. Through these strongholds, he will labor to keep people from turning to Jesus Christ in faith and repentance. He will use these things to blind the minds of people from the gospel of Jesus Christ. He will also use these things to attack and persecute the church. He longs to render the church powerless and ineffective. You must pray that the strongholds of Satan in your area will be torn down. Whether the strongholds are among unbelievers or believers, they must be torn down through prayer and repentance. Ask the Holy Spirit to grant you insight concerning the strongholds in your area. Join with other believers in praying for wisdom and insight concerning the strongholds that are around you. Plead with Him to give you understanding in what strongholds Satan has built around you. As the Holy Spirit begins to show you these things, pray for their destruction. Pray that people will be loosed from the lies of Satan. These strongholds must be torn down through the fervent, believing prayer of God's people.
- ◆ *Pray that believers would exercise a powerful influence and witness for Jesus Christ (Matthew 5:13-16, 28:19-20; Acts 1:8).* Believers need to share the gospel with both their lives and their lips. Pray that the believers in your city or area will strive to live godly and holy lives. Plead with God to give them the wisdom and power to live righteous lives before the lost. Pray that believers would experience the truth of Colossians 4:5-6, "Walk in wisdom toward those who are outside, redeeming the time. Let your speech always be with grace, seasoned with salt, that you may know how you ought to answer each one." At the same time, pray that the Holy Spirit would give believers boldness in sharing the gospel of Jesus Christ (Acts 4:31). Pray that believers will combine

wise and righteous living with bold witnessing. Plead with God to cause the influence of believers to far exceed that of unbelievers.

- ◆ *Pray that the churches in your city or area will be delivered from self-centeredness (Matthew 20:28).* Many times a church's concern is turned inward. Their basic concern is themselves. They forget about the needs of others. God has called us to be rivers and not reservoirs. He wants us to be a channel of blessing to others. We are not to hoard God's blessings for ourselves. God blesses us in order for us to be a blessing to others. Jesus gives us the prime example. He came not to be ministered to but to minister and to give His life for others. We are to follow His example in this matter. We are to seek to minister to others and give our lives in service for others. It is not God's will that we be selfish and unconcerned about others. Pray that the believers will have a heart to minister to others and to give themselves to service toward others. Plead that any spirit of self-centeredness will be removed from the lives of God's people.
- ◆ *Plead that the churches would have a concern for the poor and needy and that they will reach out to them (Philippians 2:5-11; Deuteronomy 15:7-8).* Pray that the believers in your city or area will have a servant's heart. Believers need to combine Christlike compassion with servant ministry. Believers must be willing to get their hands dirty. There has to be a willingness to meet the needs of people. These needs may vary from city to city or area to area. Yet, whatever needs there are, the church is responsible to find creative and effective ways to meet those needs. This does reveal our compassion and concern for those who are lost. However it will add power and effectiveness to our witnessing. There is an old adage that states, "People want to know how much you care before they care how much you know." Many times we will gain an ear for the gospel when we put food in a stomach or clothes on a back. Meeting the needs of people often creates an opportunity to share the gospel of Jesus. Pray that believers will be willing to get their hands dirty. Ask that they will have servant hearts that move them to meet peoples' needs. You might want to join with other believers in interceding about the needs of your area. Pray

for wisdom and insight concerning this and creative and effective ways to meet these needs.

- ◆ *Pray for the destruction of poverty and for economic growth in your area (Ecclesiastes 2:24).* It is not a sin to be poor. But poverty brings with it powerful temptations. Just as being rich puts one in the midst of powerful temptations so does being poor. The love of money is a danger to the rich and the poor alike (1 Timothy 6:10). Poverty can be a breeding ground for crime and immorality. Pray that poverty would be destroyed in your area. Ask God to give people a longing to work and to enjoy that work. Pray that God would bless with economic growth. From this, ask Him to move people to be generous in giving and sacrificing for the kingdom and for the needs of others.
- ◆ *Pray that justice would prevail and that crime would be annihilated in your city or area (Psalm 82:3; Romans 13:4).* In most areas, crime is rampant; it is out of hand. Even those areas that have never had to deal with serious crime, it is now a growing problem. The church cannot sit back and shake its head and shrug its shoulders concerning this problem. The church is to be a force for righteousness in this world. How can we have an impact on the crime rate? We have already mentioned some ways: living righteous lives, sharing the gospel, and meeting the needs of people. Yet, prayer is a crucial weapon in the war against crime. We must pray that justice would prevail. God is a just God; He loves justice. Pray that God will move on the hearts and minds of judges in your city or area. Plead with Him to grant them wisdom and insight into the cases that are coming before them. Ask Him to lead them to make decisions that are going to bring about true justice. Even if the judge is not a believer, you can still pray and ask for this (Proverbs 21:1). The Bible tells us that the government has a sword to punish evildoers. Pray that the law enforcement agencies would be effective in carrying out justice. Plead with God for their protection and for deliverance from corruption in any form. Ask God to enable them to solve cases, arrest the guilty, and bring these people to justice.
- ◆ *Pray that racism would be confronted and repented of (Genesis 1:27-28).* Racism is an

evil that penetrates every level of our society. It is also a sin that God hates. It is a sin that gets deeply rooted in the hearts of people. Pray that God would convict people about the sin of racism. Plead that people would have willingness to love, minister to, and work with men and women of all races.

- ◆ *Pray for a powerful work of the Holy Spirit in the families of your city or area (Ephesians 5:22-6:4).* Plead that there might be genuine change in the families in your area. Pray that God would draw husbands and wives into a deeper, more intimate relationship. Pray that parents will have wisdom and strength to raise their children. Plead that the children will have love and respect for their parents. Ask that these families would acknowledge and follow Jesus Christ as their personal Lord and Savior. Call on God to remove any obstacles that are preventing families from having godly Christian homes.
- ◆ *Ask God to give the believers in your city or area a spirit of prayer and fasting (1 Timothy 2:1-2; Colossians 4:2).* Pray that God would grant believers a hunger for and consistency in prayer. Prayer is the key to revival and seeing genuine change take places in the lives of people and the areas where we live. Prayer is the priority of the church. It is not one of many priorities; it is the foundation on which all else in the church must be built. Ask God to create a spirit of believing, persevering prayer in believers of all denominations. Pray for and seek opportunities to pray with believers of other denominations. We do have differing views on certain positions. Yet, there is one position that we should all agree on. That position is on our knees. We should be in agreement on our knees concerning spiritual awakening and revival. We must join our hands and hearts together in order to seek our Father. Plead with the Holy Spirit to draw believers together for the purpose of prayer.
- ◆ *Plead for spiritual awakening in the schools among the students (Psalm 44:3-4).* Ask God to grant genuine awakening to students in schools from the high schools to colleges and universities. Plead with the Holy Spirit to awaken young people to their need of God and their need to surrender to Jesus as their Lord and

Savior. Ask that believing students will be given fresh courage, boldness, and power to live for Christ and to share the gospel of Jesus Christ. Pray that these young people will be used in churches across the nation to stir and revitalize the churches.

- ◆ *Plead with God to have mercy on your city or area (Lamentations 3:21-24).* There is hope for any city or area because of God's mercy and compassion. Call on God to continue His mercy toward your area. Plead with Him to withhold the rightful judgment that should be received. Ask Him to be merciful and pour out on your area the blessings of awakening and revival. God's mercy is a powerful point for intercession. He is a merciful God and He loves to have mercy. Pray that He will reveal His greatness by being merciful and granting true spiritual awakening and revival.

*If you want to reach God's ear for the massive conversion of sinners, use these three pleading points:  
That the Father might be glorified;  
That the Son's death and resurrection might be honored;  
That the Holy Spirit's mercy and power would be manifested.*

Dr. Kevin Meador

## **Pleading For Spiritual Awakening In Our Nation**

The great need of our nation is a spiritual awakening that penetrates the entire society. The moral and spiritual decay of this nation requires a powerful work of the Holy Spirit. The only hope for this nation is a spiritual awakening that affects and changes people at every level of society.

The key to this awakening is prayer. It is only as God's people seek Him and pray that this awakening will become a reality. The Word of God says, "If My people who are called by My name

will humble themselves, and pray and seek My face, and turn from their wicked ways, then I will hear from heaven, and will forgive their sin and heal their land" (2 Chronicles 7:14).

It is important to notice the connection between God's people seeking Him and the healing of the land. If God's people repent and seek Him, God promises that He will "hear from heaven, will forgive their sin, and *heal their land.*" When God's people turn to God and cry out to Him, He will bless His people and heal their land. The healing of America's moral and spiritual disease will be a result of God's people repenting and crying out to God.

Prayer is crucial to the awakening and revival that America needs. When I use the words "awakening" and "revival", I do make a distinction between them. They are both works of the Holy Spirit and both are needed. Yet, there is a difference between them. "Awakening" is the Holy Spirit dealing with lost people. He awakens them to their need of Christ, their lostness, and their necessity to turn to Him in faith and repentance. "Revival" is a work of the Holy Spirit in which He breathes new life and power into believers. He revives their faith and their relationship to God. There can be some overlap between the two. One may lead to another. One may be the consequence of the other. Yet, both are desperately needed in this country.

The following is a simple plan to seek God for awakening and revival in this nation. God has burdened me to develop this and use this in my own prayer life. You might consider using it or adapting your own plan of intercession from it. The key issue is providing intercession for this nation. As God's people we must cry out to God for the Holy Spirit to sweep across this nation in mighty power, awakening sinners and reviving believers. We are flooded with programs, ideas, and literature. We need and must have the transforming power of the Holy Spirit.

God has burdened me to divide the states of this nation among the days of the week. Certain states will be assigned to each day of the week. This is how I have divided the states among the days of the week:

### Monday

Maine  
New Hampshire  
Vermont  
Connecticut  
Rhode Island  
Massachusetts  
New York

### Tuesday

Pennsylvania  
New Jersey  
Maryland  
Virginia  
West Virginia  
North Carolina  
South Carolina

### Wednesday

Georgia  
Florida  
Alabama  
Mississippi  
Tennessee  
Arkansas  
Kentucky

### Thursday

Ohio  
Michigan  
Indiana  
Illinois  
Wisconsin  
Minnesota  
Iowa

### Friday

North Dakota  
South Dakota  
Nebraska  
Kansas  
Missouri  
Oklahoma  
Texas

**Saturday**

New Mexico  
 Colorado  
 Wyoming  
 Montana  
 Idaho  
 Washington  
 Oregon

**Sunday**

California  
 Nevada  
 Arizona  
 Utah  
 Alaska  
 Hawaii

This plan allows you to cover the entire country in a week. It divides the country up into manageable parts so that you can intercede for the nation on a regular basis.

The following are the prayers that I plead when I pray for the states on a daily basis. These prayers are based on the Word of God. Each day I place the name of the states for that day in the blank and plead for a move of God there. You can use this plan or develop your own from it. You might devise your own plan of intercession for the nation. It is crucial that we pray intensely and biblically for our nation. The only hope for awakening and revival is for God's people to plead the truth of God's Word with God on a continual basis.

Holy Spirit, by Your Word and Your power, I pray that You would sweep across \_\_\_\_\_ awakening sinners to their \_\_\_\_\_ need of Christ and reviving the believers in \_\_\_\_\_.  
**(John 16:7; Psalm 80).**

Father, I plead that the believers in \_\_\_\_\_, who are called by Your name, would humble themselves, pray, seek Your face, and turn from their sin. When they cry out to You, I plead that You will hear from heaven and heal \_\_\_\_\_  
**(2 Chronicles 7:14).**

Father, I pray that the believers in \_\_\_\_\_ would be filled with the

Spirit and would share the gospel with boldness and power. I also plead that the believers in \_\_\_\_\_ would sanctify Christ in their hearts and would always be ready to give a defense with meekness and fear to everyone who asks them a reason for the hope that is in them  
**(Acts 1:8, 4:31; 1 Peter 3:15).**

Holy Spirit, I plead in the name of Jesus that thousands upon thousands of sinners in \_\_\_\_\_ would repent of their sin and receive Jesus Christ as their personal Lord and Savior **(Acts 2:41, 4:12, 17:30-31; John 3:15-17; Luke 13:1-3).**

Father, I plead in the name of Jesus that every demonic stronghold and hindrance to this mighty work of God in \_\_\_\_\_ would be utterly destroyed and removed. I pray that Your power would remove every obstacle to awakening and revival in \_\_\_\_\_ **(2 Corinthians 10:3-5; Ephesians 4:27).**

Father, I plead in the name of Jesus that You will do a powerful and fresh work in the youth of \_\_\_\_\_. I ask You to protect them from the schemes of the enemy. He is out to destroy them; You want to give them eternal life and life more abundant. I pray that You would grant a powerful and life-transforming awakening and revival to the youth in \_\_\_\_\_. I ask that this next generation will be totally committed to Jesus Christ and the will of God **(John 10).**

*Nothing is discussed more  
 and practiced less than  
 prayer.*

## **Praying The Book of Acts For Your Church**

The book of Acts reveals how the church should operate in the power of the Holy Spirit. It is the great example for churches today. For this

reason, it provides an excellent guide in praying for your church. The following prayer guide has been developed from the book of Acts. This prayer guide will enable you to pray specifically and powerfully for your church. The petitions in this prayer guide are based on the Word of God and are in line with the will of God. Plead for God to make these things a reality in your church.

In keeping with the theme of this issue, you might consider using this prayer guide to pray for the churches in your city, county, or area. We are one body in Christ. It is our mission to reach and disciple people for Christ, minister to the needs of people, and stand for righteousness in this fallen world. The only way that this is possible is by supporting each other through prayer. Believers of different denominational backgrounds need to join together in prayer. We must pray for each other. This prayer guide will give you the opportunity to intercede for the churches around you.

I pray that the believers of \_\_\_\_\_ Church will be filled with the Holy Spirit, daily yielding themselves to His power and leading (Acts 1:4-8, 2:1-13, 4:31).

Father, I plead that the believers of \_\_\_\_\_ Church would be wise and discerning in making decisions and carrying out the business of the church (1:15-26).

Lord, I ask that there would be anointed and powerful preaching from the pulpit at \_\_\_\_\_ Church (2:14-40, 3:11-26, 8:4-40, 11:19-26, 17:16-34).

Father, I pray that the believers of \_\_\_\_\_ Church would be devoted to studying God's Word, fellowship, worship, and prayer (2:42).

Father, I plead that the miraculous power of the Holy Spirit would be manifested in and through \_\_\_\_\_ Church (2:43, 3:1-10, 9:32-43).

Father, I ask that the believers of \_\_\_\_\_ Church would be willing to serve and sacrifice for each other and for the lost (2:44-47, 3:32-37, 11:27-30).

God, I pray that the believers of \_\_\_\_\_ Church would stand strong and defend the faith in

the face of indifference, ridicule, and persecution (4:1-21, 5:17-41, 6:8-8:3).

Lord, I ask that You would give the believers of \_\_\_\_\_ Church a spirit of prayer. Convict the believers of \_\_\_\_\_ Church about the necessity and power of prayer. Grant them a fervent desire and commitment to pray (1:12-14, 4:23-30, 12:5).

Father, I pray that the believers of \_\_\_\_\_ Church would not be tolerant of evil. Grant the believers of \_\_\_\_\_ Church a longing for holiness. Empower them to seek after this with all their strength (5:1-10).

Lord, I plead that the believers of \_\_\_\_\_ Church would confront and deal with problems through love, godly wisdom, and prayer. I pray that Your will and Your kingdom would have the top priority at \_\_\_\_\_ Church. Deliver them from getting bogged down in petty problems and arguments (6:1-7, 15:1-35).

Father, I plead that \_\_\_\_\_ Church would see hardened and unrepentant people turn to Jesus Christ in faith and repentance. I pray that the Holy Spirit will convict and save hardened sinners through the witness of \_\_\_\_\_ Church (Acts 9:1-31).

Lord, I plead in the name of Jesus that \_\_\_\_\_ would not refuse to minister to and accept others. Deliver \_\_\_\_\_ Church from any and all types of bigotry. Enable \_\_\_\_\_ Church to love our/their neighbors as ourselves/themselves (10:1-11:18).

Father, I pray that You would hinder and destroy Satan's attacks against \_\_\_\_\_ Church. I pray in the name of Jesus that You would deliver \_\_\_\_\_ Church from his devious and hateful schemes. Enable \_\_\_\_\_ Church to stand strong in Your power and might (4:1-21, 5:1-10, 12:1-25, 17:1-9).

Father, I pray that \_\_\_\_\_ Church would have a heart for missions and spreading the gospel to the ends of the earth. I plead that \_\_\_\_\_ Church will have a

commitment to support missions and missionaries through prayer, finances, and mission trips (Chapters 13 and 14, the missionary journeys of the apostle Paul).

Lord God, I ask that You would powerfully prepare and open the hearts of the people that \_\_\_\_\_ Church is reaching out to through evangelism and ministry (Chapter 16).

Father, I pray that the pastor of \_\_\_\_\_ Church would proclaim the whole counsel of God

and labor as a faithful shepherd among the people (20:25-35).

God, I plead that the believers of \_\_\_\_\_ Church would boldly share the gospel of Jesus Christ. I ask that You would grant opportunities for them to share the gospel and that there would be no hindrances to their witnessing (28:31).

Father, I pray that the believers of \_\_\_\_\_ Church would proclaim Your wonderful works throughout this community. I plead that the believers would declare Your praises among the people (Acts 2:14).

## **The Prayer Closet Ministries, Inc. Needs Your Help**

In the past year, God has abundantly blessed The Prayer Closet Ministries, Inc. Our rate of growth has been amazing. The growth of this ministry is a testimony to the faithfulness and goodness of God. The mailing list continues to grow. We are adding people daily to the mailing list. The newsletter is circulating across the United States and throughout the world. Churches, pastors, small groups, and individuals across the world are requesting and using our materials. People are visiting the web site and reading the devotionals and Scripture prayers on the message board. God has been using these things to touch the lives of people to His glory and their good. This ministry exists for God and His glory. We praise and glorify Him for our growth and usefulness.

Our growth confronts us with the challenge of raising money to support this ministry. Ministry does require money. We stand in need of financial support from believers and churches. We do not charge anything for the newsletter or our materials. God has burdened me to do this. I do not want anyone to feel that they cannot receive any of our materials because they do not have the money for them. Yet, we must have financial help from believers and churches in order to carry out this ministry.

In this issue, we have enclosed an envelope. This envelope has been enclosed for your convenience. We want to give you the opportunity to support this ministry. We would ask you to prayerfully consider giving to this ministry. All the money that we receive goes to the ministry. It will be used to touch the lives of people across the world. On the front of this newsletter, there is the phrase "Transforming lives through intercessory prayer and fasting." That is not just a slogan for this ministry. It is also the passion of my life and the heartbeat of this ministry. Will you help us do this through your prayers and financial support?

### **Pastor Appreciation Month**

October is Pastor Appreciation Month. During this month, churches and believers will be showing their appreciation for pastors and their labors in the Lord. There is no better way to show your pastor that you appreciate Him than by praying for Him. The "Have You Prayed For Your Pastor Today?" key ring will help you intercede for your pastor. October would be a great time to renew your commitment to pray for your pastor. Request your key ring today and use it to pray for your pastor. You could also pass these out to the members of your congregation to show your appreciation and commitment to pray for the pastor. Request these so that your church can stand with your pastor in prayer.

# LIMITING YOUR CONFIDENCE IN GOD

**“So many of us limit our praying because we are not reckless in our confidence in God. In the eyes of those who do not know God, it is madness to trust Him, but when we pray in the Holy Ghost, we begin to realize the resources of God, that He is our perfect heavenly Father, and we are His children.”**

**Andrew Murray**

**Will you ask God to grant you a reckless confidence in Him?**

**“In quietness and in confidence shall be your strength” (Isaiah 30:15).**
